

EMPLOYEE PROFILE

ALEX TOPCZEWSKI Dealer Sales Manager

Alex worked numerous construction jobs throughout college & wanted to get more into the office side of things. Alex came on board as a National Accounts Representative and was responsible for sales development & customer relations. Reaching out to potentially new customer and projects that require form-work & checking in with existing customers to ensure they are taken care of or require assistance with upcoming projects to bids.

In 2024 Alex switched gears slightly and moved into the Dealer Network side of the business as a Dealer Sales Manager. Mainly focused on the East side of the US, Alex assists Dealers with their stocking needs and education on all MFC products offered.

When Alex was asked what he enjoys about working at MFC he stated *"continuously learning about our industry and building comradery within our team in the office."*

When Alex is not working, he loves going up north whenever possible to flyfish or just relax. *"Nothing beats the north woods",* Alex explained.

"There is something to be said about MFC being around for 115 years but I will let our products speak to that testament of time." - Alex
