EMPLOYEE PROFILE

DAVID ORTIZ **Production**

David had an interest in welding so when his friend Israel, an employee of MFC, told him about an opening it was an easy decision. Although David assists with various jobs, welding is his main focus. "I do whatever my supervisor wants me to do." As a team player, David is an excellent fit to the MFC team.

When asked what he enjoys about working at MFC, David stated " I've made friends here and there is a lot of things to learn here and improve on as well."

When David isn't working, he likes to play baseball and basketball and spend time with his daughter and their family dog. To emphasize the closeness of our MFC floor team, Israel who brought David to MFC, is also David's daughters Godfather.
