When he discovered an open Sales Representative position at Metal Forms Corporation on-line, he was immediately drawn to the opportunity. The combination of a close-knit company culture and the potential for professional growth made MFC the perfect fit.

Today, Nate serves as a Sales Representative, with a primary focus on supporting and growing our dealer network. As he continues to develop his expertise, Nate will play an important role in promoting and expanding the Metal Forms product line.

If you've called MFC recently, there's a good chance you've already spoken with Nate! When asked what he enjoys most about working at MFC, Nate shared: "I enjoy learning every day. It seems like there is always something new to learn and build upon. I also enjoy the small, family-business culture."

Outside of work, Nate enjoys staying active through fitness and sports, particularly basketball and golf. He is also an enthusiastic sports fan who enjoys following a wide variety of teams and events throughout the year.

Family is an important part of Nate's life. As the oldest of five children, he enjoys spending time with his two younger brothers and two younger sisters, as well as his close group of friends. Nate is also the proud owner of a dog named Buck, named after the Milwaukee Bucks. Buck has been a beloved member of the family for nearly a year.
